

Textiles

High-quality textiles designed for durability, comfort, and visual appeal. Featuring refined textures and consistent performance, they add softness and depth while maintaining strength and longevity over time.

Applications:

- Curtains
- Upholstery
- Decorative cushions and soft furnishings
- Headboards
- Textile partitions

Certifications:

- ISO 9001. Certified quality management ensuring consistent and controlled manufacturing processes.
- EN 13501-1. Tested for fire performance and reaction to flame for interior applications.
- OEKO-TEX® Standard 100. Certified free from harmful substances, ensuring safety for indoor environments.
